

## **Joseph Altieri, Consultant, Manufacturing Expert & Educator**

Joseph Altieri is a management professional with over 35 years experience, managing both startups and operations with over 400 employees. His areas of expertise includes, but is not limited to, operation and project management, quality, engineering, product development, warehousing, and distribution.

In addition to his industry experience Joseph is an Adjunct Instructor at FIT where he teaches senior level classes with a focus

on designing and managing manufacturing facilities. He also teaches senior fashion design majors about apparel mass-production techniques, examining the transition of apparel products from designer's samples to finished production merchandise.

Joseph received his BS in Apparel Manufacturing from the Philadelphia College of Textiles & Science. He is also Six Sigma Green Belt certified, and is enrolled in the Master Program at Rutgers University. Joe is passionate about his blog; "The Rag Business" which is posted to his web page. He also enjoys making hand-crafted salsas and liquors.
